EIGHTEEN DAYS CLEARANCE SALE

Closes Saturday, January 15

Everything in our store that sells for more than five cents each, with the exception of Spool Silk and Thread, will be sold in this sale at reduced prices. Our overstocked sale the first of the month helped us a big lot, but not enough to take care of our extra large stock. As soon as any goods are closed out that ends it—no more at that price. We begin our stock-taking on Monday, January 17th, and must reduce our stock \$8,000 or \$9,000 before that time.

We realize conditions and are making prices that ought to bring enough out-of-town trade to take care of all this sale. Very few

goods in this sale pay cost of selling—many are at a loss. This closes our year's business. We are willing to take a loss and have calculated on it.

We must have our stock in shape for spring business. Conditions place before you prices that we at other

times would call poor business.

Wash Goods

Our Wash Goods at these sales, like our Linens and Bedding, are our fastest sellers.

We are to sell our \$1.25 Bed Comforter at 98c.

Bed Spreads

This is where we have too many; yes, and a part of them are soiled and tumbled up quite a bit.

These prices do not give us enough to buy the same grade of Spreads back again, and being soiled does not harm them one bit for wear; and, as the soiling is on the wrong side, it doesn't show.

Now, about the price. We have a very large Dimity Spread, that sells for \$1.25, now at 98c.

Every Spread in our basement, whether soiled or not, goes at one-fourth or 25 per cent off the regular selling price.
